

Minelab X-TERRA Intrepid Tactical metal detector

255552

SRP 109,99 €

Professional Performance: The X-Terra Intrepid Tactical is equipped with a powerful 10-inch waterproof coil, submersible up to 1 meter, allowing you to explore a variety of environments with confidence. Simple, Intuitive Operation: Whether you're new to metal detecting or an experienced pro, the Intrepid streamlines your search with user-friendly controls and straightforward functionality. Smart Target Identification: Save time by easily distinguishing trash from treasure. The Intrepid's large visual Target Identification (ID) numbers give you the information you need before you start digging.

PRODUCT DETAILS

LIGHTWEIGHT AND PORTABLE DESIGN
Designed for comfort and portability, the Intrepid Tactical's sleek, lightweight construction makes it easy to handle. It's also adjustable for both adults and kids, with a collapsed height of just 72 cm.

FULLY AUTOMATIC AND ACCURATE
Switch between four hunting shortcuts to tune your detector in to specific types of treasure. Zero-in on a discovery by switching to Pinpoint for even greater precision.

COMPACT AND LIGHT
X-TERRA INTREPID Tactical's sleek design has lightweight, rugged and compact construction to ensure comfort, durability and portability. Easily adjust its height to suit all users.

SIMPLE TO USE
A large LCD display and intuitive user interface makes it easy for beginners to get started right out the box, and seasoned hunters to fine-tune settings quickly and easily.

WATERPROOF
Waterproof coils up to 1m and Water Resistant control pod.
