

Minelab Elite waterproof metal detector for all terrain

255537

Discover the all-new Minelab X-TERRA ELITE series powered by Multi-IQ — a breakthrough in treasure detection combing cutting-edge technology and affordability. Designed for the savvy hunter in search of a fully waterproof, feature-rich machine with proven Multi-IQ technology, the X-TERRA ELITE stands unbeatable.
 No need to compromise, X-TERRA ELITE offers superior All-tone Audio, extreme sensitivity and precision, and advanced Iron Control.

Style **STANDARD**, EXPEDITION PACK

PRODUCT DETAILS

EXTREME PRECISION
Find treasure others miss with the X-TERRA ELITE. Whether you're in the fields or at the beach, state of the art precision targeting, light-up displays, and advanced iron control put you in place for future discovery.

ADVANCED TARGETING
Multi-IQ Multi-Frequency tech combine multiple working detectors at the same time. Nothing goes undiscovered, in all terrain. 119 Target IDs further distinguish between trash and treasure, with ferrous and non-ferrous IDs.

COIL COMPATIBILITY
Compatible with all EQUINOX coils, the ELITE comes equipped with the V12X 12""x9"" Elliptical Double-D as the standard option. When performance is everything choose the best with MINELAB.

HIGH PERFORMANCE AUDIO
The X-TERRA ELITE's all-tone audio means you'll not only 'hear' if a target is trash or treasure but also gauge its size and depth simply by listening through the built-in speakers or headphone accessories [not Included].

FULLY WATERPROOF
Don't stop your search at the beach or the bank. This coin and treasure finder is fully waterproof and
