Minelab X-TERRA Intrepid metal detector

255550

SRP 109,99 €

Professional Performance: The X-Terra Intrepid Tactical is equipped with a powerful 10-inch waterproof coil, submersible up to 1 meter, allowing you to explore a variety of environments with confidence. Simple, Intuitive Operation: Whether you're new to metal detecting or an experienced pro, the Intrepid streamlines your search with user-friendly controls and straightforward functionality. Smart Target Identification: Save time by easily distinguishing trash from treasure. The Intrepid's large visual Target Identification (ID) numbers give you the information you need before you start digging.
