

Minelab GO-FIND 44 High-Power Ultra-Light Metal Detector for Adults with 10" Waterproof Coil

255553

SRP 239,99 €

Unleash the power of discovery with the Minelab® GO-FIND 44™ Metal Detector – a compact, ultra-lightweight adventurer that folds seamlessly into your travel gear. Experience superior performance with advanced technology for precise location detection. What sets it apart is the added personal touch – peel-and-press camouflage skins in the bag let you tailor your detector to any hunting environment. The GO-FIND app enhances your treasure hunt, offering music, instant sharing, and more at your fingertips. With automatic ground adjustment technology, Easy-Trak ensures interference-free target signals. Dive into a world of personalized exploration, where every find is a unique adventure.

PRODUCT DETAILS

SUPERIOR PERFORMANCE.
The GO-FIND 44 professional metal detector is made with advanced technology and innovative features for deeper, more precise detection.

ADVANCED TARGET ID.
Auto ground-tracking reduces noise interference and maximizes target signals. Know treasure from trash thanks to the Treasure View feature that lights up to tell you what's trash or treasure.

LIGHT & COMPACT.
This metal detector machine collapses and folds to fit into luggage or backpacks. At just 1.06 kg, it's the lightest treasure finder in its class. No assembly required.

GO-FIND APP.

© 2026 ATS trade & service GmbH. All rights reserved. Specifications and design are subject to change

Free to GO-FIND 44 users, this smartphone app transforms the way you detect, allowing you to listen to your favorite music, instantly share your finds online and more.

EASY-TRAK TECHNOLOGY.
Automatic ground adjustment reduces interference and enhances target signals for an improved treasure hunting experience.

ADD ACCESSORIES.
Detect in style with the right equipment. Add 3mm wired headphones to tune into targets, our metal-free handheld digging tool or the GO-FIND carry bag with zip pockets. All available to purchase separately.

Scope of delivery

- GO-FIND 44 Detector
- Two camouflage stickers
- Standard Coil - 10'' Rectangular Monoloop
